

Student Work Placement Program up to \$7,000

What is a the Student Work Placement Program (SWPP) ?

- SWPP is a financial incentive given to Employers to offset the costs of hiring a College or University Co-op or non-Co-op student for a 16 week internship
- Multiple students can be hired through SWPP at the same time
- If the College or University Student is a Co-op Student, the Employee may apply for the SWPP in addition to the Co-op Salary Refund of \$3,000

Company Eligibility Requirements:

- Company must be in business for a minimum of 1 year
- Company must be making payroll deduction from the student including CPP, EP and Income Tax deductions

Funding Amounts

50% of the Student's salary to a maximum of **\$5,000**. The subsidy is increased to **70%** to a maximum of **\$7,000** for Employers hiring Students from under-represented groups including:

- Women studying Science, Technology, Engineering, Maths (STEM), or business
- Indigenous students
- Visible minorities
- Recent immigrants (within 5 years)
- Persons with disabilities
- Students in their first year of study, or
- Students on their first work-term (relevant to their field of study)
